WORK EXPERIENCE

DELIVERY DRIVER | 11/2024 to Current
Amazon - **Omaha**, **NE**

• A Delivery Associate is responsible for efficiently delivering packages to customers, while ensuring accuracy and excellent service. They load and unload packages, navigate delivery routes, and handle interactions with customers. Additionally, they maintain their delivery vehicle, follow safety regulations, and report any issues encountered during deliveries. The role requires physical fitness, punctuality, and attention to detail.

POSIFLUSH PRODUCTION OPERATOR | 03/2024 to 11/2024
Becton Dickinson - **Columbus**, **NE**
• The production operator is responsible for operating and maintaining production machines, ensuring that products meet quality standards and safety regulations. This position requires attention to detail, technical skills, and the ability to work in a fast-paced environment.

STOCKING ASSOCIATE | 06/2023 to 03/2024
Walmart - **Columbus**, **NE**
• Stocking associates are focused on unloading trucks and stocking new freight. They spend the majority of their time in the backroom. Stocking associates must be able to lift heavy objects in excess of 50 pounds. Ability to operate heavy machinery such as forklifts may also be necessary.

FOOD SAFETY SANITOR | 05/2023 to 06/2023
PSSI Sanitation - **Columbus**, **NE**
• The main function of a Food Safety Sanitor is the cleaning of Cargill meat shredders after the end of their working day. Pressure hoses are used to remove the remains of meat in the machines and then soap and some chemicals for cleaning and disinfection
